

**HOBBS** QUILT BATTING

QUALITY BATTING SINCE 1978

## Charity Batting Program: Policy & Order Form

Since there are thousands of quilt guilds, and possibly as many church groups and other organizations, that quilt for charitable purposes, we are simply unable to donate batting to *all* of the organizations requesting donated batting.

Therefore, in order to help as many quilt guilds, church groups and charity-quilting organizations as possible, we have instituted the following policy.

If your group is a charitable organization, working on charitable quilts or other items that require batting, you qualify to order batting through our Charity Batting Program.

To qualify to order "Charity Batting" from Hobbs Bonded Fibers, the quilt guild, church group or other charity-quilting organization collects UPC labels from Hobbs packaged batting products and sends in the completed Charity Batting Order Form with five UPC labels per roll of batting requested. **There is a limit of two rolls per order.**

In exchange for the submitted Hobbs packaged batting product UPC labels, we offer two different batting products to choose from at a *discounted price\** (*prices effective 1/1/2018*) - please indicate which of the following options you prefer when completing the included Charity Batting Order Form:

- The first option is our Heirloom 80/20 Blend 96" x 30 yd. roll, priced at \$80.00/roll
- The second option is our 100% Polyester 96" x 30 yd. roll, priced at \$31.00/roll

*\*Shipping fees will be added to your order.*

If you wish to place a Charity Batting Program order, simply print out the included Charity Batting Order Form, complete all fields and, when finished, please mail the completed Charity Batting Order Form and required number of UPC labels to:

Charity Batting Program Orders  
Hobbs Bonded Fibers  
200 Commerce Drive  
Waco, TX 76710

*We would appreciate it if you would staple all UPC labels to your completed order form.*

Thank you for your loyalty to Hobbs batting and for making the world a happier place by creating for others.

Happy Quilting!  
*The Hobbs Batting Team*
